Family Support Payment Center (FSPC) Progress Report

Family Support Division-Child Support Enforcement

December 2009

Through state fiscal year (SFY) 2004 budget actions, the former Division of Child Support Enforcement transferred centralized collection functions to the Department of Revenue. The Department of Revenue assumed these functions beginning SFY 2004. The FSPC is operated by a contractor, Systems and Methods, Inc., through a contract with the Department of Revenue. The Family Support Division – the Department of Social Services division responsible for child support functions – retained statutory responsibility and accountability for the payment center.

The FSPC operates six days per week, averaging 13 hours per day. The FSPC receives payments in their computer system on the day received. Nightly, the FSPC system interfaces with the Missouri Automated Child Support System (MACSS) to electronically post payments in MACSS. Upon posting to a member, case or order number, MACSS distributes payments and produces a disbursement file. The following morning, MACSS transmits the disbursement file to the FSPC. The FSPC then disburses 98% of payments to recipients electronically by direct deposit or on the SecuritE Card, with the remaining two per cent of disbursements made by check.

The FSPC uses electronic methods to receive and disburse support funds.

- Electronic methods available for transmitting funds to the FSPC include:
 - On-line payment transmission;
 - Electronic funds transfer (EFT)/electronic data interchange (EDI); and
 - Automatic withdrawal from a designated bank account.
- Electronic methods available for receiving support funds from the FSPC include:
 - Direct deposit to a designated bank account; and
 - Electronic transfer to the SecuritE Card. (Currently over 150,000 payees receive payments on the SecuritE Card).

Current average production operating statistics are as follows:

- Receipts processed per day: 4,236 (average low) to 29,374 (average high) *
- Dollar value of receipts processed per day: \$781,000 (average low) to \$4 million (average high). *
- Average turnaround time (posting to disbursement): 24 hours.
- Collection exceptions, such as unidentified items and insufficient funds, are resolved within five business days of receipt 100% of the time.
- Average electronic receipts processed daily: 5,279.
- Average dollar value of electronic receipts processed per day: \$809,867.

* Does not include electronic receipts.
